

Figure 1a

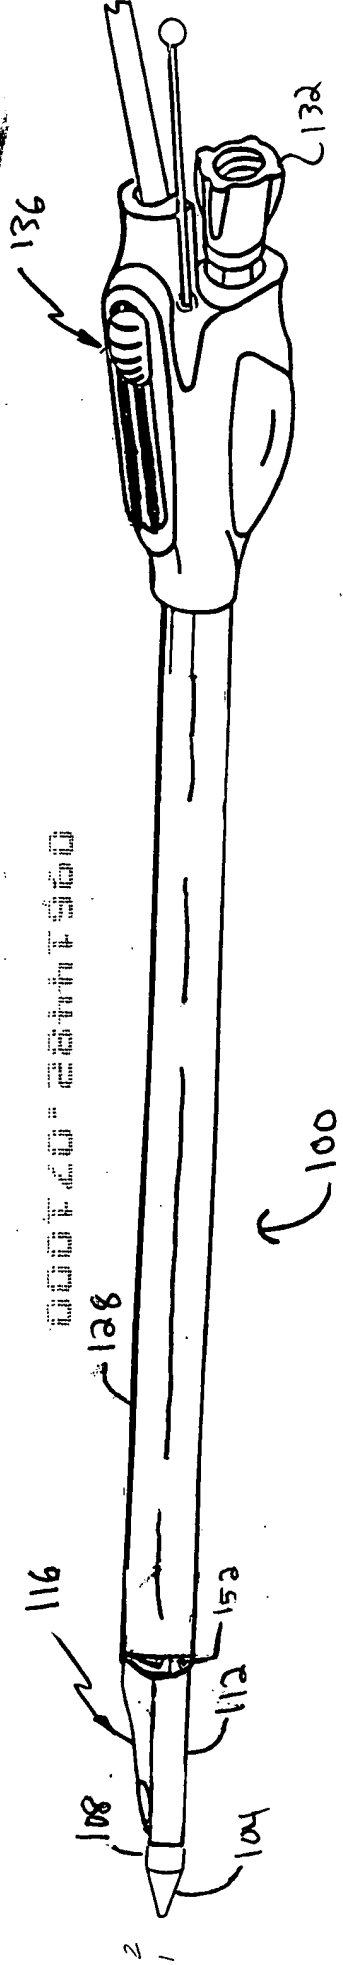

Figure 2a

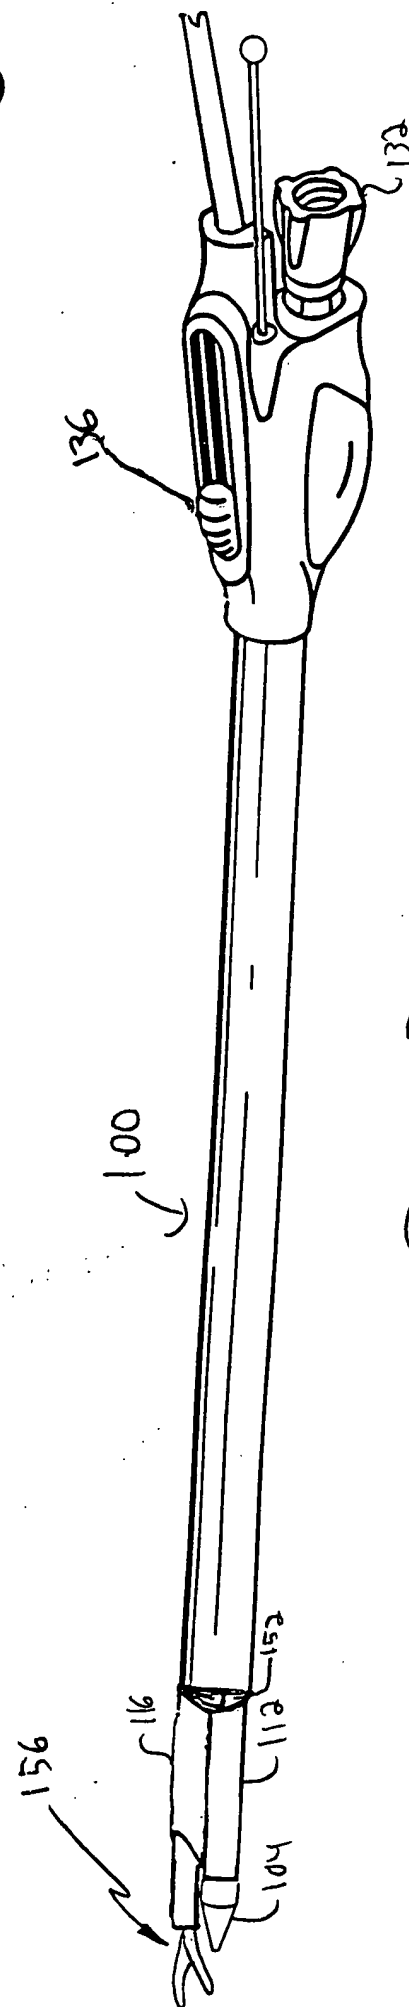

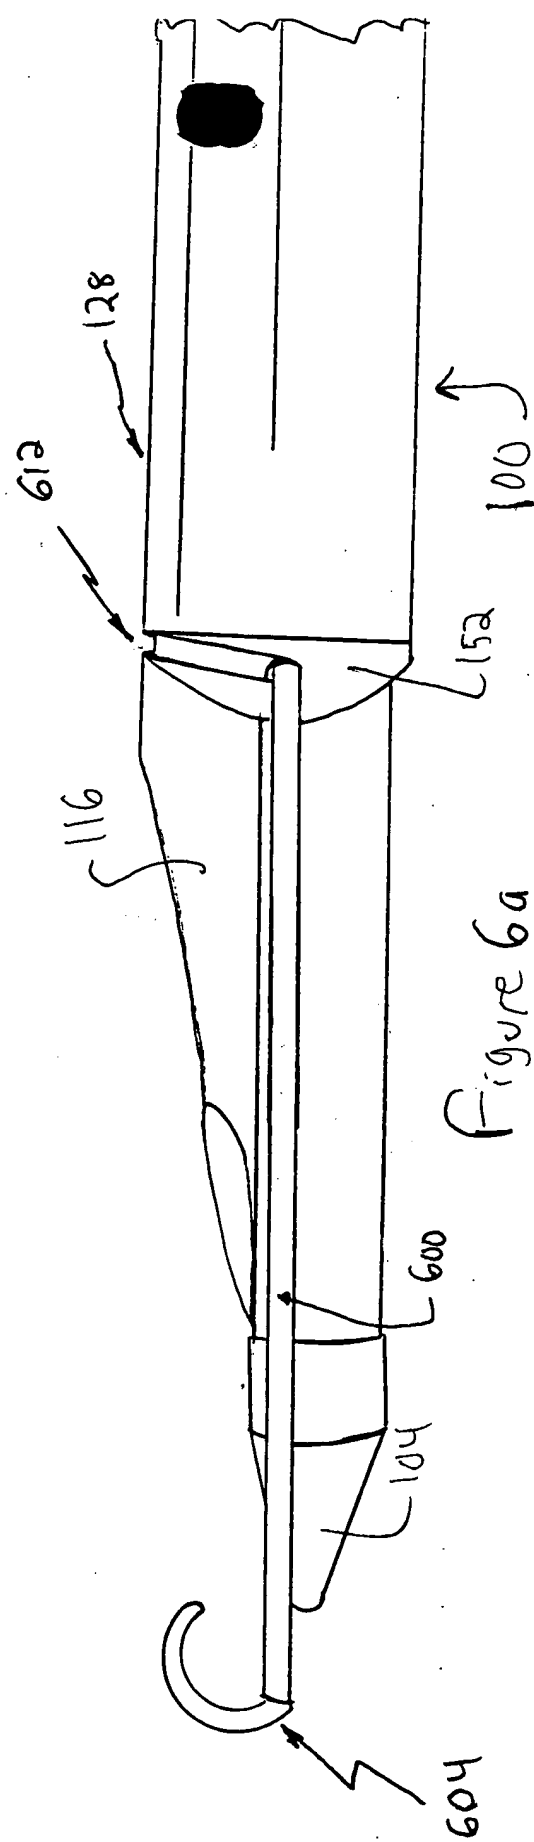

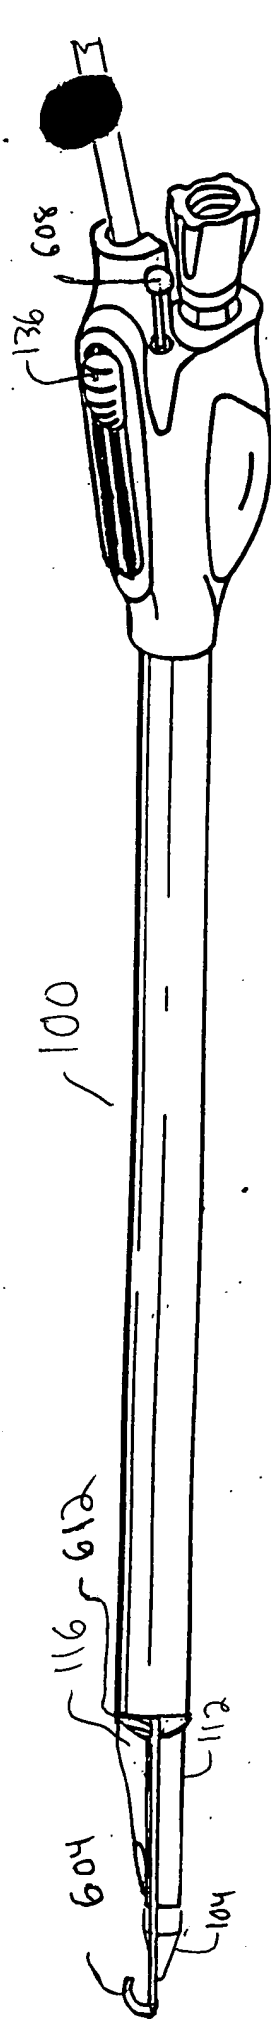

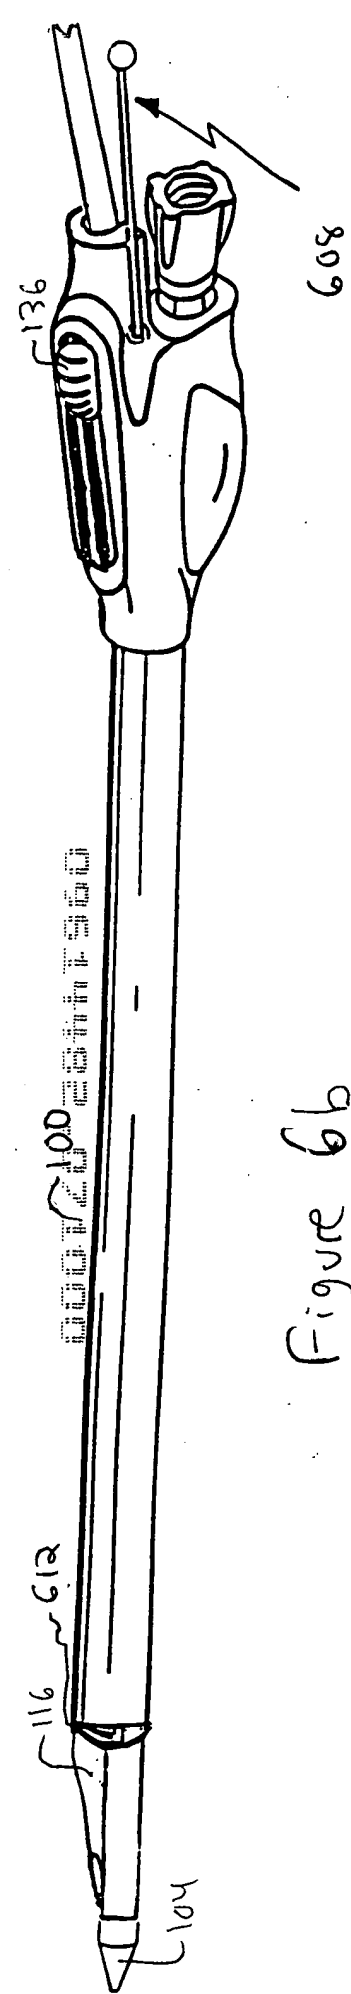

Figure 2b

A hand-drawn schematic diagram of a circular device 100. The device contains two main features: a small circle 120 on the left and a concentric ring structure on the right. The concentric rings are labeled 112 (outermost), 132 (middle), and 124 (innermost). A line 100 points to the main circular boundary.
